Oliver Worldclass Labs Presents an Interactive Seminar for Educators

“Improving Interactive Lesson Plans with SMART Boards & Innovative Notebook Software”

A Special offer extended to Oliver Worldclass Labs customers

What to Expect

This event will be led by a SMART Certified Trainer working with SMART Interactive products on a daily basis. By the end of the event, you'll be comfortable creating and organizing lessons using the SMART Board & interactive Notebook software.

- You will receive a level 1 Notebook learner's workbook that includes reference material, step-by-step activities and review exercises. The workbook is used during the session and is an excellent future reference.
- You will have time to ask questions and create interactive lesson activities, and engage in group discussions.

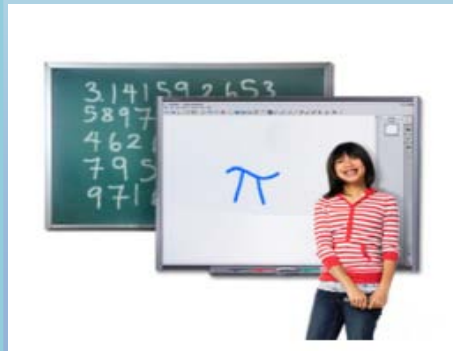

Who should attend?

All educators who currently work in the classroom, administrators and techs who want an understanding of the interactive technology, its effects and benefits, as well as corporate and government trainers.
