Notebook Level 2 Training**

**Engage your students with  
fun, interactive lessons  
with SMART Board  
Notebook software**

# Oliver Worldclass Labs

*Oliver Worldclass Labs Presents an Interactive Seminar for Educators*

## **“Extending Interactive Lessons - Going Deeper with SMART Board Interactivity”**

**A Special offer extended to Oliver Worldclass Labs customers**

### **What to Expect**

This event will be led by a SMART Certified Trainer working with SMART Interactive products daily in her classroom. By the end of the event, you'll be comfortable creating and organizing lessons using the SMART Board & interactive Notebook software.

- You will receive a level 2 Notebook learner's workbook that includes reference material, step-by-step activities and review exercises. The workbook is used during the session and is an excellent future reference.
- You will have time to ask questions and create interactive lesson activities, engage in group discussions and plan and improve your own current lessons.

### **Who should attend?**

Users of SMART Boards who have completed Notebook software training level 1, attended a SMART Master's event or who have at least one year of experience using Notebook software, K-12 instructors, higher education instructors and corporate trainers.
